ENJOY HOME COMFORTS ON BOARD

SANI MARIN SFA
THE BENCHMARK FOR AUTOMATIC TOILETS
THE INVENTOR AND WORLD’S LEADING MANUFACTURER OF MACERATOR TOILETS AT THE SERVICE OF THE SEA.

The company SFA, founded in 1958, revolutionised the sanitary equipment market by creating the electrical macerator toilet, otherwise known as the Saniflo. SANIMARIN SFA, the Group’s brand dedicated to the yachting & boating world, wields its extensive expertise in this field to bring you powerful, dependable on-board sanitation systems.

• SANIMARIN toilets are specially designed to ensure the same user comfort at sea as at home.
• The replacement of hand pump toilets by SANIMARIN is straightforward.

SFA SANIMARIN toilets are the quietest electric toilets on the market.

SANIMARIN

The ideal partner for Black Water systems in accordance with current legislation.

• With its lifting capabilities of up to 3 m height and 30 m horizontal distance, Sanimarin can evacuate to the black tank wherever its location.
• Its efficient maceration system facilitates tank emptying and cleaning.
• The tank’s autonomy is also improved by controlling the quantity of flushing water.
CONTROL SYSTEMS
SANIMARIN now lets you choose the control system you want, no matter what model of toilet you have selected.

The electric switch Comfort features 2 positions: a flushing position and a maceration - pumping position. The duration of each cycle is controlled by the user to suit their requirements.

The push button Comfort Plus triggers an automatic flushing / maceration - pumping / flushing cycle. The cycle lasts 19 seconds and consumes 2.2L of water. It is controlled by a PCB.

The electronic keyboard Luxe, efficient and easy to use, provides a maximum amount of options. It notably offers 2 flushing cycles: Eco (1.2l of water) and Normal (2.2l of water), the Tank Full light helps you manage the black water tank and the Empty function to empty the tank in choppy seas.

FRAME COLOUR OPTIONS
To make your interior look even better, SANIMARIN now brings touchpad frames in a three colour option. All electronic keyboards Luxe are delivered as standard with a chrome colour frame.

SANIMARIN MAXLITE

NO MORE HAND PUMPING, JUST A PRESS OF THE FLUSH BUTTON.
**TECHNICAL FEATURES**

- **Pumping height**: up to 3 m
- **Horizontal pumping distance**: 30 m
- **Non return valve** integrated
- **Outlet diameter**: 38 mm or 25 mm
- **Supply voltage**: 12V or 24V
- **Water use**: freshwater or seawater. Minimum pressure of supplied water 1.7 bar
- **Weight**: 8 kg
- **Water consumption**: quantity decided by the user.
- **Low electricity consumption**: See page 15

**MAXLITE**

The SANIMARIN Maxlite macerating toilet, the latest model from SFA, is the ideal solution to replace your hand pump toilet. Its outstandingly light weight is an additional asset for your boat.

**BENEFITS**

- Same footprint as hand pump toilets.
- Quiet.
- Ultra light material used for bowl construction.
- Enables variable positioning of the bowl.
- Features SFA macerator technology.
- Made in France.

**CONTROL SYSTEM**

The electric switch

MAXLITE COMFORT

Sea pump included in the system
Excellent alternative to hand pump products, the SANIMARIN 31 toilet is the perfect, simple answer to lack of space.
## TECHNICAL FEATURES

**Pumping height**: up to 3 m  
**Horizontal pumping distance**: 30 m  
**Non return valve integrated**  
**Outlet diameter**: 38 mm or 25 mm  
**Supply voltage**: 12V or 24V  
**Water use**: freshwater or seawater. Minimum pressure of supplied water 1.7 bar  
**Weight**: 17 kg  
**Water consumption**: according to the control system from 1.2 l to 2.2 l  
**Low electricity consumption**: See page 15

### BENEFITS

- Extra low.  
- Quiet.  
- Small footprint to fit in tight spaces.  
- Features SFA macerator technology.  
- Made in France.

### 3 CONTROL SYSTEMS

1. The electric switch  
   SANIMARIN 31 COMFORT  

2. The push button  
   SANIMARIN 31 COMFORT PLUS  

3. The electronic keyboard  
   SANIMARIN 31 LUXE
Thanks to its tapered rear face, the SANIMARIN 35 adapts perfectly to hull curvature. Its contemporary design and lightweight make it ideal for all types of boats.

The standard height SANIMARIN 35ST is easy to install against a vertical partition and matches with all cabin configurations.

3 CONTROL SYSTEMS

1. The electric switch
   SN 35 COMFORT
   SN 35 ST COMFORT

2. The push button on the bowl
   SN 35 COMFORT PLUS
   SN 35 ST COMFORT PLUS

3. The electronic keyboard
   SN 35 LUXE
   SN 35 ST LUXE
TECHNICAL FEATURES

Pumping height: up to 3 m
Horizontal pumping distance: 30 m
Non return valve integrated
Outlet diameter: 38 mm or 25 mm
Supply voltage: 12V, 24 V or 220V (SN 35ST)
Water use: freshwater or seawater. Minimum pressure of supplied water 1.7bar
Weight: 21 kg
Water consumption: according to the control system from 1.2 l to 2.2l
Low electricity consumption: See page 15

BENEFITS
• Sloping or vertical back depending on the model.
• Standard height and comfortable seat.
• Quiet (bowl siphon).
• Features SFA macerator technology.
• Made in France.
The Exclusive Medium toilet is now SANIMARIN’s top of the range toilet, satisfying both legitimate needs for modernity thanks to a modern design and a permanent quest for comfort on board.
TECHNICAL FEATURES

- **Pumping height**: up to 3 m
- **Horizontal pumping distance**: 30 m
- **Non return valve integrated**
- **Outlet diameter**: 38 mm or 25 mm
- **Supply voltage**: 12V, 24V or 220V
- **Water use**: freshwater or seawater. Minimum pressure of supplied water 1.7 bar
- **Weight**: 26 kg
- **Water consumption**: according to the control system from 1.2 l to 2.2 l
- **Low electricity consumption**: See page 15

BENEFITS

- A comfortable, generously sized marine WC.
- Easy to install thanks to the vertical back line.
- Quiet (bowl siphon).
- A 360° flushing system under all conditions
- Features SFA macerator technology.
- Made in France.

Exists in a combined toilet/bidet version:

The SANIMARIN Exclusive Medium Bidet delivers economy and space savings thanks to the clever design of the automatic WC combined with the bidet.

3 CONTROL SYSTEMS

1. The electric switch
   SN EXCLUSIVE MEDIUM COMFORT
